

# WESTERN RESERVE SPINNERS & WEAVERS GUILD PRESENTS

## Fiber Artist **Daryl Lancaster** October 21-22, 2017 at **Lake Metroparks Farmpark, Kirtland, OH**

Between the sewing machine and the loom, my journey in the fiber arts has taken over 40 years. From an alterations business at 15, to production hand-woven clothing, to custom art to wear, my work has covered, adorned, and embellished the female body for as long as I can remember. The skills I have developed sewing unusual fabrics, such as handwovens, and the years of experience fitting the female body have made for an interesting combination of material to offer in workshops, seminars, and lectures.

Daryl exhibits her artwork in galleries across the country. She was the Contributing Features Editor for six years, for *Handwoven Magazine* from Interweave Press & wrote the Fashion and Color Forecast Column. She continues to write for various weaving and sewing publications.

### Jumpstart Vest 2-DAY workshop:

Dust off your sewing machine and jump start your skills. This simple lined vest is custom fit, guaranteed to look great, feel good, and teach you the basics of garment construction. Great for handweavers, felters and surface designers. This vest looks great in all fabrics. Open to all skill levels.

Use your handwoven, felted, or commercial fabric. You will need about 4-1/2 yds. for the largest size. Fabric must be measured after washing. A sewing machine in good working order is required (Bring instruction manual). Guidelines for fabric will be provided upon registration. Space is limited.
